SRI CHAITANYA JR KALASHALA

MAY 2018 - MAY 2020

MPC: (GPA of 9.0)

EXPERIENCE:

SIEMENS EDA

JUNE 2023 - PRESENT

Software Engineer Intern

Hyderabad, India

- Contributed directly to more than **3** features and resolved **15** bugs following Agile methodologies.
- Developed a user panel and implemented UI changes in their product.

PROJECTS:

CODE CRAWLER | *Java, OpenCV, Selenium* |

- A Java Automation project that fetches user data from websites such as LeetCode, CodeChef, CodeForces, and GeeksForGeeks.
- It takes a (.csv) file as input (which contains user IDs) and generates an output file with the fetched data.
- [View Project.](#)

PERSONAL PORT FOLIO | *HTML, CSS, JavaScript* |

- An interface that describes my skills and achievements.
- [View Project.](#)
- [Hosted Link.](#)

STUDENT MANAGEMENT SYSTEM | *HTML, CSS, PHP, MySQL* |

- An interface that provides options to ADD, UPDATE, and DELETE records of students.
- This is the backend tool for managing student details.
- [View Project.](#)
